Get to the events

If you are staying at Aloft Hotel on Hillsborough Street or The StateView Hotel on Centennial Campus, we are happy to provide shuttle service to and from the events. Likewise, if you would like to park in one place on campus Saturday and need transportation between Witherspoon Student Center and Hunt Library we will provide shuttle service for all who would like it. If you are in need of shuttle service, please call or text 919-710-1868.

Suggested parking lots are listed with events on the itinerary. Parking in campus lots and garages is free after 5 p.m. Friday, with the exception of RD and Service Vehicle spaces.

Note that Saturday morning campus will play host to the Krispy Kreme Challenge on Hillsborough Street near the Belltower. The race should end around 10 a.m., but road closures may persist a little later. Please, plan accordingly. Aloft's parking garage will still be accessible via Enterprise Street, and this is where shuttle pickup will be on Saturday.

Buy a limited-edition shirt

To commemorate the Technician's 100th anniversary we've created two limited-edition t-shirts, available for \$15 each. The shirts will be available Saturday during the lunch in the Student Media offices (cash, check or credit card), and during the Saturday night gala in the Talley Student Union ballroom (cash or check only). If you're having too much fun to snag one this weekend they'll also be available online — at the Technician and Student Media websites — in the coming weeks.

Imbibe adult beverages

If you would like to enjoy the beer or wine graciously provided by the Alumni Association at the pre-gala reception 5-6:30 p.m. on Saturday, **please bring your ID**. We will be following the rules for serving alcohol and know that some of you look younger than your ID indicates. Note that the bar will close at 6:30 p.m. as we transition to dinner in the Talley ballroom.

Enjoy brunch

If you're planning to enjoy a delicious brunch buffet at the Terrace Dining Room at Carol Johnson Poole Clubhouse on Sunday for \$13.50, make sure that you have made a table reservation by calling 919-515-4343.
